### Sun Catcher

Imprint area: 2.5" in diameter for foreground  
2.75" in diameter for background fill

### ART REQUIREMENTS

- \*Art should be black and white camera-ready vector artwork
- \*File formats include: EPS, CDR (v.9 or below), AI (v.9 or below), vector PDF, PSD (600 DPI), TIF (600 DPI), BMP (600 DPI)
  - \*Typeset should not exceed 4 lines
  - \*Do not go below 8 pt font size
- \*Grayscale images that have a range of gradients will not print well
- \*Best to receive vector art for gray scale images so black objects can remain solid
- \*Complex multi-color artwork such as thin outlines can miss-register up to 1/8"
  - \*Thin outlines may fill in or break apart
  - \*Serif text may break apart
- \*Paper proofs are always sent at imprint size
- \*Blind proofs are only sent when requested
- \*Keep in mind ink colors will change when not printing on a white product
